## The New Agreements I Make as an Anchored Person

### **Identity**

“I am anchored. My timeline is stable.”

“I no longer build my life from fear, lack, or reaction.”

“I create from within first, and allow reality to follow.”

### **Reality Relationship**

“3D reality is lag - it does not define my future.”

“The Law is a mirror, not a judge.”

“I create in 5D (cause) and allow 3D (effect) to catch up naturally.”

### **Wealth, Love & Health Baseline**

“Money flows to me naturally because abundance is safe for me.”

“Love is safe for me. Connection is my natural state.”

“My body knows how to heal and restore itself.”

“I do not need to force, chase, or prove my worth.”

### **Emotional Stability**

“When unwanted reality appears, I say ‘Next’ and return to my truth.”

“When wins appear, I say ‘Noted’ and normalize them.”

“I trust the process even when I cannot yet see movement.”

“I stay anchored while reality reorganizes around me.”

### **Collective / Support**

“I am part of the collective. I do not walk this path alone.”

### **Final Identity Seal**

“My new story is now active.”

“I agree to these new agreements and activate my new timeline.”
